Q: If world does not attract you,
If you get tears by fear of God,
If fear of hell scars you,
If you pray God as you should,
If goodness is a path you like,
and you stop from going to
sinful path then you are pious.
few are born pious, few become
pious. It is good fortune to be
pious. It is continuous process
of purification and fighting
with evil to be pious.
This takes time and also hardships
to bear.
