If the world does not attract you towards it, if the fear of Allah moves you to tears, if the concept of hell induces a fear of God within you, if you worship Allah the way He should be, if goodness draws you towards it and your feet come to a halt on the path of wrongdoings, then you are a righteous. Some are righteous while some become righteous. It is quite fortunate to be pious. Whereas, the process of becoming pious, entails consistent self purification and struggle.
