Q: Translate the following into English.

If the world does not attract you towards itself, if you have tears in your eyes due to Allah's fear, if the concept of hell creates fear of Allah in you, if you worship Allah as it should be done, if goodness attracts you towards itself and your feet stop going toward the badness then you are righteous. Some are righteous. Some righteous are made. To be righteous is a fortunate thing. Becoming righteous is a continuing process of tazkiya and struggle. It takes time and sufferings have to be endured.
