IF the world does not attract you to itself,
if the fear of Allah brings tears to your eyes,
if just imagining the hell develops fear of God in
you, if you pray to Allah in a way it should
be done, if you get pulled towards good
deeds and if your feet stop from going
towards the way of evil then you are
virtuous. Some are virtuous and some become.
Being virtuous ~~is~~ is being lucky. To be virtuous
is to constantly be clean and striving. This
takes time and difficulties to endure.
