

if world does not attract you, if your eyes filled with tears due to god fear, if imagination of Hell, produces fear in yourself, if you ~~worship~~ ^{worship} god in the way you should do, if beneficence attracts you and you avoid yourself to follow wrong way then you are righteous person. Some people are righteous, some people become righteous. Being righteous person is a good luck. To become righteous person, there is constant struggle of purification of the self and crusader. It takes time and you should tolerate pain.
