If the world does not attract you towards itself, if tears come in your eyes due to fear of Allah; if an abstract of hell, creates fear in you; if you worship Allah in such a way as it would be, if goodness attract you towards itself and your feet stop from going on the path of evil; then you are pious. Some are pious, some becomes pious.

Being a pious person is good luck. To become pious is continuously an action of conscience. It takes time and let bears hardships.
