

Name: Waleya Javed  
Campus: Islamabad

Date: \_\_\_\_\_

Batch 48 .

Day: M T W T F S

## IMPORTANCE OF EDUCATION

A well-educated person can easily complete their desires but their aim was not only to make money but also to help other peoples. Their priority is helping the helpless & oppressed people. If doctor is well-educated, then his/her first priority is to cure the people/Patient not to give attention to Patient pay/money.
