Translate into English:

Oldster told that there is a mountain across jungle where it flowers, by smell of which lost eyesight returns, but mountain is so high and it has countless rocks, thorny shrubbery, and big stones, which retains the path. To go over that mountain many people came and left away but no one came who reached flower. Perhaps, that's why, there is distress and suffering in word and human being is in found of light.

Question No. 3

Read passage and answer the questions:

- 1) How important is happiness to most people, and what is the relationship between material wealth and happiness?

Happiness seems to be important for people just in sense of materials. They don't have a clear cut boundary between psychological desires and basic requirements of life. People have the luxury of more goods services than they need to survive. As for as the concern of relationship of happiness and material wealth, happiness is not concerned with material wealth; if it is then on basis of material wealth, North Americans & Europeans should be the happiest people on earth.

2) How does the author characterize the concept of "Voluntary Simplicity" as a movement and as a philosophy?

The author characterizes "Voluntary Simplicity" as a movement in a manner that to practice it, one must differentiate between what one wants (psychological desires) and what one needs (basic requirements of life), and seek a healthy balance that is compatible with both.

As a philosophy, "Voluntary Simplicity" has huge importance. How one goes about it depends on individual character, culture background and climate.

3) What impact is feared by the growing consumerism of modern society?

In a consumer society where advertising bombards us with the message that without this, that, and other product, we are unsuccessful, undesirable, and unimportant, being clear on what we really need and resisting what we don't can be an ongoing struggle.

4) What influences make it difficult for people to reduce their consumption patterns?

Following are some of the influences and reasons that make it difficult for people to reduce their consumption patterns.

- a) Social inferiority
- b) people are materialistic
- c) Quest for ever more.

5) What are the challenges and rewards of voluntary simplicity?

• Challenges of voluntary simplicity:

People confused Voluntary simplicity with poverty; which is involuntary, degrading, and debilitating. A person is unable to differentiate between what he wants and what he needs. He/she does not have a healthy balance that is compatible with both.

• Rewards of Voluntary Simplicity:

- a) More resources are available for future use.
- b) We can eliminate unnecessary budgets.
- c) Three Rs formula keep materials in a loop and out of landfills.
- d) We cannot only save money but also have a strong bond and a sense of community.
- e) Less consumption means more resources for future generations.
- f) We can get more reward and time for ourselves and for our loved ones.
- g) More relaxation and better health.
- h) More enjoyment and more fulfillment in life.

Question NO. 2

Precis & Suitable Title:

• Suitable Title:

“Objectives of Education”

• Precis:

On basis of differences to ends and psychological theory, there are three main schools of thought in education. First, ^{children} students should be completely free. Second, they should be completely subject to authority. Third, they should be free but with freedom they should be ever good. In a sum, education must not ensure only spontaneous development but also work for mental and moral equipment.
