

English Translation Test - 1

Translation into English

If the world does not hold your back, if you have tears in your eyes by the fear of Allah, if the thinking of hell affraid you, if you do worship of Allah as it should be, if goodness / good deeds attract you and you do not go to the wrong path then you are a righteous person. Some are righteous and some try to be. Being a righteous person is a matter of luck but to be a righteous person, is all about Tazkiyya and compromises. It takes time and one has to suffer.
