

Name: Asma Bilal

Batch # 38

Campus: RW-OB

Precis:

The main purpose of civilized people is not making money. Although, money is an important factor of life, but their first priority is to serve others. It does not matter if they are soldier, clergy or doctor, their first priority is doing best in their fields. On the whole, money is second for them.

Title: "A Common Quality of civilized people"

title is written at the top not the end
word count is missing
content is satisfactory
main idea is picked and discussed
7/20
over all satisfactory
