

a professional person

Title: Priorities of an ~~Amazing~~ Person

It is impossible for ~~amazing~~ person to give more importance to the money as compared to their work. Different professional persons have different work to do but they prioritized things in their lives. These type of persons give importance to money also but not more than their jobs. They love to do their job instead of just love for money. They give first priority to their work and second priority to their fee and enjoy it.

repetition of the same idea is different words
weak expression unable to explain in your own words
