Title : Work : A Priority ✓

Precis

don't start indirectly.

start with A AN THE

No doubt, money is appealing but not the primary objective of a literate person. ✓

A sane individual enjoys completing their work instead of aiming for the payout. Be it a soldier, who strive primarily to succeed in the battle rather than getting paid. ✓

Be it a clergyman, who intends not to get wages but to preach. Likewise, a doctor loves to cure his patients without setting his eyes on fees. Hence, for all the well-educated person work is their priority not money. ✓
