Voluntary simplicity: Toward
a way of life that
is outwardly simple
and inwardly rich
"voluntary" denotes
a free and conscious
choice to make appropriate
changes that will
enrich life in
deeper sense

"Simplicity" is
eliminating all those
things and habit
and ideas that
take control of life
and deprive us from
our inner selves.

It should not be
mixed with poverty.

To practice Voluntary
simplicity, one must
differentiate between

physiological desires and
basic needs of life.

For this, three R's i.e.
reduce, recycle, reuse
represent best way
to get handle on
wasteful consumerism.

By quest for even more
, living with less is
equated with social
inferiority.

Recycling paper,
metal, plastic, glass
and reusing building
materials and odd
clothing keep materials
in loop.

4

In the long run,
more expensive but
durable and repairable
item or even an older
used item in good
condition is still a
better option for
investment than a
brand new piece of
junk that will break
down and end in
trash.

Plz answer the question

5

challenges of
voluntary simplicity are
people are not willing
to leave that luxury
lifestyle because they
fear being considered
poor.

6

less activity being
satisfaction.

less stuff is more
space to move around
less stress is more
relaxation. These are
rewards of voluntary
simplicity.
