

Name:- Shabnum Mirzai

Batch: 48

Campus:- Online

Title is not self explanatory

Indent the paragraph.

Real Professionalism

For

~~With~~ a true gentleman, making money is never the chief objective of life. Brave people perform their duty, not because it brings them money but because they love it. For instance, a good soldier fights, not because he is paid for it but because he loves to win battles. Similarly, the motivation for a good doctor is to cure the patient, rather than the fee. Money comes to true professionals as a reward for their good work.

Do not include examples in precis. Just give their gist.

(77 words)

Idea and structure generally ok albeit highlighted mistakes.
