Title: Education: ~~Truncate the Money Phobia~~

Fail to link with the main idea of the passage

According to the writer, it is ~~apparently~~ difficult for an ingenious person to give preference to money ^{over} on his responsibility. The author gives many examples to prove his stance that every good and loyal professional gives priority to his work instead of payment. Although money is important ~~but~~ it must come after his duty. ~~Because~~ it is the purely practical and excellent use of education and intelligence.
