Date: 27.03.23

Name: Saeeda Sadiq
Campus: Rawalpindi

Batch: 037

2. Write a précis of the following passage & also suggest a suitable title.

Indent the paragraph.

Money is not the primary goal for a well-educated, intellectual or brave man. Healthy minded people mostly enjoy winning or completing their work rather than aiming for making money from it. Likewise, soldier mainly wishes to do his fighting well. A clergyman loves to do his preaches not to be getting paid for preaches. Like, good doctors desires to cure their patient first. So, for all well-educated persons, work comes first ^{then} money.

Idea ok.

Title: Work is first, Money comes later.

Title should be a phrase, not a sentence.

Do not include examples in précis. Just give their gist.
