## Too many grammatical mistakes.

Title: Professional men's ~~priority~~ <sup>priority</sup> to work

All educated person do not make their primary aim to earn money.

In the same way, all healthy people like their dinner but that is

not their main aim. However,

Satisfaction achieved through work is better than money. For example,

A good soldier wish to win

battles, clergymen's want to preach

and doctor desires to cure his

patients. Instead of only getting fee money for their professions.

In a nutshell, Professional men

do not make complex compound sentences

begin and end with a precise sentences

Avoid enlisting
