## English Translation

If you do not get fascinate by worldly things, If you got tears in the fear of God, If the existence of hell brings fear of God, If you are praying to God as it should be, If you are on the way truthness, and you do not go the humiliating way. Then, you are a divine and some few are divines, some pretend to be divine. Being a divine person is lucky. Keep being a righteous human is so purification. It takes time and you must face/bear difficulties.
