## Comprehension - Test III

### Questions

I. Why most of us fail in ----- ?

Ans: Most of us fail in improvement because we people are not so ambitious towards goals, don't have an optimistic look and we lack power of resolution.

II. Why is it a basic -----

Lack of resolution to everybody is a fundamental mistake we often make, because we feel ashamed and embarrassment to discuss the faults of past and it looks as we don't want to confront the old self of us.

III. Why did the writer not -----

Writer says that sometimes, we across failures from experiences. We become reluctant to show our resolution to everybody. Writer has limited himself to some specific ambitions. He indulged himself in other chores of life so he has no resolution for New years day.
