Q1: (c)

Social Media: Blessing or Curse

Social media has a long lasting impacts on our life. It is both a blessing or a curse. But its disadvantages are more. Social media usage may create relationship gap. It can lead to spend less quality time with parents, friends and family and relationship dissatisfaction. As a consequence, failing to maintain in-person relationship. According to Abdul Aziz University Saudi Arabia report, more than half (59%)

out of 300 participants use social media which has prolong effects on a person's relations, interaction and respectively affecting family. In addition to, it may cause relationship breakup and divorce. Research conducted in 2017, 338 married couples have had infidelity behaviour due to social media - lastly, social media, different applications usage like Facebook, Twitter, Instagram, TikTok are spoiling the moral, ethical values of young generation. Sometimes its over-use may cause depression, anxiety and death as well. A 2019 study in USA, teenagers who use social media more than 3 hours daily are more likely to experience mental health issues. In nutshell, social media has more negative effects on individuals' life.
