Translation

If the world does not attract you towards itself, if tears come to your eyes out of fear of Allah in you, if ~~you~~ the thought of Hell makes you afraid, if you worship Allah in such a way as it should be done, if the goodness attracts you towards itself and prevent you from treading the path of evil, then you are righteous. Some people are born righteous, while others become righteous. Being righteous is a fortunate thing. Becoming righteous requires continuous purification and striving. It requires time and also entails enduring hardships.
