Translation

If the world does not attract you, if the tears come into your eyes due to fear of Allah, if the concept of hell creates fear of Allah in you, if you do the worship of Allah as you should, if goodness attracts you and your feet stop from going on the path of evil, then you are righteous.

Some are righteous and some become righteous. Being righteous is a matter of luck. Becoming righteous is a continuous process of purification and struggle. It takes time and sufferings are also to be endured.
