Application

The Superintendent of police,
District police
Okara.

Subject: Investigation into the increased
cases of theft near ATM

Dear Sir,

This is to bring your attention
that robbery cases near the major
ATMs of the city is increasing day
to day that is causing a chaos
in city.

As a responsible citizen, I want
to inform you about this social
issue that is increasing slowly.

I go to ATM machine for
cash money yesterday, as I reached
there, I noted that one gentleman
was crying near ATM machine.

I wanted to ask reasoning of his
crying. He tell about his cash
snatching by thief who snatch
money from gentleman and flee
away.

Besides it, there are many
cases are reporting in newspapers.

Q# 8
precise

Knowledge: Either in form of Science
or Art.

According to Author, it is vital to train teachers in education field who to deliver various kind of knowledge to young it is chance of happiness and decoration per generation. Two type of subjects must be teach that belongs to one feelings and mind building under do divide subjects into class of Intellectual which belong to science subjects that impart sense of reasoning and other is art subject which impart sense of feeling. So it is necessary to provide young with sources and observation sense as well as subject based knowledge either in shape of science or art.

Q# 9 Translation

man is merciful. Because of his wrong doings, ignorance, sins, self fish and self structured judgements, he is feared from his soul reflection. These different hobbies and wishes that he flourished around him. It is results of his flee away from himself. Man has no courage to see his past experience, if any chance come to him to see his past experience, he become busy in remembering of peaceful time of past. But there are many secret mistakes of his past that he can enjoy by improving it. Men think about his past sin and use is busy to cover it in fear of people while Allah is seeing of his today, merciful today!
