If the world fails to attract you,  
if the fear of Allah brings tears to  
your eyes, if the thought of hell  
instills the fear of God within you,  
if you worship Allah the way it should  
be done, if goodness attracts you  
and prevent you from taking the  
wrong path, then you are righteous.  
Some are born righteous, while  
others become righteous. Being  
righteous is a fortunate thing and  
becoming righteous is a continuous  
process of purification and struggle  
it takes time and requires enduring  
hardship.
