Title : Professionalism : Passion or Money

Precis :

Undoubtedly, money fulfils a man's need however, it is not the sole purpose for a well-educated, intellectual and brave man. Healthy minded people prefers to enjoy winning or completing their work rather than getting paid for doing so. For instance, a good soldier wishes to win battle first instead of getting paid. ~~For~~ Similarly, a clergyman's love for preaching is more than his love for getting paid. A doctor desires to cure his patient first than to get his fees. Thus, for all scholarly people work comes first.
