

"Abu Ben Adham, a Pious Man"

One night, Abu Ben Adham saw an angel writing something. He asked the angel about his writing. The angel told him that he was writing ~~about~~ names of God's lovers. Abu asked about his name. The angel replied in negative. Abu asked him to write his name in the list of ^{human} people's lovers. The angel came again next night, and showed Abu that he was ~~on the~~ leading among those who are loved by God.
