A sacred man, Abu Ben Adhem, woke up at night. He saw an angel writing something in a gold book. He didn't scared it at all and asked from the angel about her writing. The angel replied sweetly and told about the listing of pious people, she making. He had not considered in the list. He said to the angel to place him in ^{the list} benevolent people. The next night angle displayed a saint's list where Abu bin Adhem was at top.
