

Translation

You are pious if this world donot attract you, if your eyes are teary with horror of Allah, if you are terrified of God by imagining hell, if you do worship as they are supposed to be, if good deed attract you and your feet ~~are~~ stops while doing bad deeds. Some ~~are~~ are pious and some try to be pious. Being pious is a sign of luck. Continuous worships and jihad makes you pious - ~~It~~ It takes time and you have to face difficulties in it.
