## Assignment: 1 Precis

Money: scholar vs avaricious

It is hard for a scholarly man to give priority to wealth similarly to focus on dinner. All soundness persons are fond of dinner, but the main goal of their lives is not dinner.

Therefore, all sound-minded people have to make wealth to enjoy the feelin of getting money that is best than wealth. Thus, all educated and valorous persons' first purpose is work, and the second is the fee, but they give importance to the second.
