Title : 1- Work is Worship  
2- Work vs Money

Generally it is impossible for an enlightened man to make money the first priority of his life for getting meal. Although, getting meal is the main objective. Everyone loves meal but a sane mind loves the feeling of achieving money. A soldier, a clergyman and a doctor love getting paid but the main purpose of their life is to provide services according to their expertise. Work is of primary importance for a wise people rather than making money.
