## Translation Paragraph

If the world does not attract you towards itself, if your eyes fill with tears with the fear of Allah, if the concept of hell creates fear of Allah (God) in you, if you worship Allah as you should do, if beneficence attracts you, and your feet stop from going on a evil path then you are a righteous. Some are righteous and some become righteous - Being righteous is a fortunate thing. To be a righteous is a continuous process of purifying and doing wax - It takes time and one has to bear pain.
