Man is ruthless, surrounded by incapacibilities, mistakes, sin, self deception. This helpless person is affixed to face his reality. Different hobbies and pursuits created by men are just the justifications to escape from himself. He does not have courage to look into past and if he get it then he just prefer to turn those aspects of life /~~as~~ past in which his ego satisfied that he was always perfect. But he does not spoil his present to see his regrets that are hidden in past. A person has to be happy in all circumstances, without remembering his past.
