Topic: Purpose to fulfill duty over Money.

Wealth could never be a sole purpose of a literate and intelligent man's life. However, all contented and right-minded people are elated by earning but there is more than lives agenda is far bigger than pay. The main objective of a well-trained man is to accomplish his professional task with honesty. In any profession, if a person is strong-headed and skilled, would always opt for his duty over money. <sup>There is no doubt</sup> Learning is of immense importance but secondary, his duty would always be his first priority.
