## Translation:

If world doesnot pulls you toward itself, if fears come to your eyes by the fear of God, if imagination of hell develops God's fear into you if you worships God as he orders, if good deeds pulls you and your feet stops from going to evil path then you are pious. Some are pious and some try to become pious. Being pious is stroke of good luck.

Being or become pious is continuous <sup>act of</sup> purification and jihad. It takes time and one have to suffer or bear pain.
