

Q. No-1

## Social Media: A Blessing OR A Curse

Social media has fully developed in the world. A coin has two sides. This technology spread like a wildfire. Life before this innovation was very different and it introduced unrecognizable changes. Social media is a contribution of the technological enhancement and development. Social media has advantages and disadvantages. Social media is a blessing to change the world. Social media helps to communicate the people in the world. It helps to organize meetings, business and other venues. It give online

platform for trade. It produce the friendly environment. It gives an innovation for productivity and growth. It give new platform for education. Social media helps to maintain law and order in the country. ~~On~~ Contrary to that, social media is a curse in the world. Social media helps in cyberbullying. It also help to generate crime in the society and in the world. Many fraud and scams have been reported on social sites. Likewise, bad networking sites can face financial disaster and inability to sell their products. Hacking is basically stealing some personal data and privacy to share with others. By this action people blackmail them ~~for~~ to get money. These inappropriate <sup>personal</sup> things have affected the lives.
