## Solution

Title: Profession: worthier than Money

Precis:

The thoughts of literate, wise, or brave man are as important as earning money for them. Earning is not the only concern for most of <sup>healthy</sup> people. They enjoy their professions which is better than just making money. No Doubt Soldier, clergyman, and doctor are earning for themselves, **but** they also enjoying their work at same time. Work ~~is~~ is always come first for them rather than their fee. (words 68)
