D

Injustice is the result of immeasurable justice. Injustice continues in the world till today. Injustice means human is not free in his decision making. Injustice accused of inequality in the society. It brings the Autumn of Corruption, poverty, unemployment and lawlessness. Injustice is responsible for the degradation of the humanity. Such as society produce the oppression and anxiety. Mental health and physical activities are the result of fairness and justice. Additionally, justice is the only key to make the world as well as society proper and moveable. Justice is the only mode of expressions and formulations. Thus, there is a dire need for justice in the world as well as in the society.

However, inequality in the society is another name of injustice. Many people confront the slavery in the world. Children, men and women are held in slavery over the course of entire transatlantic slave trade.

Another example is African Americans enslaved for a years.

As racial discrimination see in education system.

A ~~man~~ white man might get convicted of something he is not guilty for his ~~de~~ race, which is very unjust and inhumane. In 2020, the

murder of George Floyd and countless other black men and women are the examples of

~~civil~~ the injustice. Nonetheless,

gender inequality is also the web of systematic inequalities in the society.

(3)

“Freedom is never voluntarily given by the oppressor; it must be demanded by the oppressed.”

Injustice is no freedom of expression. People have no right to choose their careers, homes and jobs. ^{while,} freedom means fight to their own rights. As freedom in political and social senses. In the book, “The system of Liberty: Themes in the history of classical liberalism” by George H. Smith he discussed the positive and negative freedom. Injustice is the negative connotation in the dealings and business materials.

Injustice anywhere lead towards the poverty and unemployment in the society. In fact, the issues of segregation had continued from the society. The outrage in the country or society ~~not~~ continued and not stop. "The Crucible" Mrs. Putnam faces poverty as she lost seven of her children during pregnancy. She blamed ^{that} the death of her children ~~for~~ cause unemployment. ~~Photo~~ says:

"He who commits injustice is ever made more wretched than he who suffers it."
