

Date: _____

Name :- Neha Sagib

Batch :- OB-40

Campus :- Rwp-II

Title :-

Dedication towards Profession

Preci:-

A well educated, intellectual, or brave men never makes money the chief object of his thoughts, and his dinner too.

So, all healthy minded people like making money and enjoy it more, rather than money itself. A good soldier likes fighting battles and winning it more, than their pay. Similarly clergymen like preaching.

Well educated and brave doctors like to cure their patients more, than the fees. So brave men prefer work to fee.
