Q.1 English Precis Test - 1

Title - Work or Money

The author have explain the relationship between the work and money. Undoubtely, money is the essential for every person, but it is not primary purpose of well-educated, intellectual, or brave men. All healthy minded people, enjoying winings or completing work, rather than aiming for making money. For example, a good soldier, who wishes to win the battles, instead of getting paid. Be it clergyman, who loves to preaches, without getting paid. Be it doctors, who always desires to cure ~~the~~ patients first. Thus, for all the educated persons work comes first.
