Translation

If the world does not attract you towards itself, if tears come into your eyes because of fear of Allah, if the imagination of hell induces fear of Allah in you, if you worship Allah the way it should be done, if virtue persuade you and your feet stop going on the way of evil then you are righteous. Some are virtuous, some pretend to be virtuous. To be righteous is a good fortune. To become virtuous is a process of continuous purification and endeavour. It requires time and difficulties have to be endured.
