if this ^w world does not attract you towards itself, if fear towards Allah causes your eyes to tear up, if contemplation of Hell puts fear of God in you, if you worship Allah as you are suppose to, if goodness pulls you towards itself and your feet stops you from walking towards badness then you are righteous. Some are righteous, some become righteous. Being righteous is a matter of ~~to~~ luck. Becoming righteous is a continuous process of Tazkiya and Mujahideen. It takes time and pain.
