

Q# 3

Write an application to the Superintendent of Police of your district requesting the investigation into the increased cases of theft near major ATMs of the city.

Examination Hall,
City A.B.C
May 03, 2023

The Superintendent of Police,
Home Department
Sahibabad,

Subject: Increase cases of theft on ATMs
Sir,

I would like to draw your attention to the problem of snatching and theft cases which are increasing day by day in your area. People in this area are very scared due to this theft which is on the major ATMs in the city. In view of this, people neither go out for shopping nor go to the grocery stores in the day or in the evening.

I submitted many applications to relevant Station house officer (S.H.O) but there is not take such steps to curb this social problem. Instead of eradicating the social evil, it is increasing day by day. This crime puts serious pressure and danger on people. So, I'm submitting this application on the behalf of my self and people of the Area. I hope you will take such good action and regulate Mobile Police to take checks on major ATMs of the city.

Your obediently,
X.Y.Z

Question # 1

c)

Social media: blessing or curse

Social media is a blessing in a society. Social media is a weapon which strength the society and ^{take society} ~~come~~ on the one page. People which are ~~far~~ ^{far} away even a thousand of miles are linked

together. Social media includes
Twitter, WhatsApp, Facebook, Bing, Instagram,
YouTube, TikTok. With the help of
social media, a society grows in
positive manner. Social media plays
an important role in education.
There are many educating channels
on YouTube like virtual university
official channel which educating
people around the world, especially
in those areas which are less
developed. Social media has ability
to skill the people to make
them financially independent. By the
social media a soft image of
a country should be shown globally.
Social media point out the bad
governance of a state. For this
many channels are working
to improvement of the governance
by criticize the working of
state. Social media has power
to change the society mentality.
If we see in the context of
Pakistan though back in 2007 to
onwards, there was a terrorism

Phase was in country. There was not foreigner ready to come in Pakistan. Now Pakistan is the hub of tourism in the Northern areas of Pakistan. Some foreigner came in Pakistan and they put the soft image of Pakistan that Pakistan is peaceful country by the help of social media. So, social media is a platform to provide people to bring change in society by education. Promoting their country.
