Ans Concept of Deen and its importance

Introduction?

Concept of Deen

Deen refers to a complete code of life. Deen deals with the aspect of man's life, it deals with man's relation with Allah Almighty and with man's relation with men. It touches material as well as spiritual dimensions of human existence. In contrast to Deen, religions only deal with the spiritual aspect of life, while Deen is a complete code of life. It sheds light on sacred as well as secular aspects of man. From Deen, a man gets guidance for spiritual needs and other parts of life such as politics, economic, judicial, social affairs. Islam's Deen is best and gives complete guidance for every part of need.

Importance of Deen in Individual Life

① Deen provides satisfaction

The followers of Deen are strong
in touch with Allah. They do not
feel disappointment. Because they
know that Allah is only one
who can fulfill his desires. While
western world have believe that
music is peace of mind, the
followers of Islam here believe
the peace of mind is Quran and
its recitation.

Allah says in sura AlReed (13:28)

"Indeed! in the remembrance
of God, is peace of mind and
soul."

② Deen prevent suicide

Allah say in sura Bakher

"Do not kill yourself"

Try using better words

some message. Allah delivers for his followers in Surah Nisa that Deen provides hopes without any discrimination to all human beings. Allah says in Surah Bakara when you disappoind get help from Quran.
