Title:

Money is ~~not life~~, but work is.

Rephrase it

Main objective of gallent persons
life is to treat money as it
should be, and they do not make
it their lives. According to these

Simplify it that it is not the money that is prime objective

People winning is always superior
than money. for examples soldiers are
happy for fighting to win battle,
clergyman for preaching, ^{and} doctors for

treatment of patients instead of
working just for money, as dedication
to work is prior than money for

Suggested titles for yesterday's prebate the example, just give an
"Money is not the End" essence
"Profession as a priority over money"

Suggestions for improvements:

Do not make complex compound sentences

Begin and end precis with a precise sentence

Avoid enlisting

Do not explain all three examples separately,
rather give an essence
