Title: The Love of God

Solution:

Indent the paragraph.

One night, a holy man, Abu Ben Adhem, woke up from a dream and he saw an angel. The angel was writing in a book of gold. The peaceful face of the angel made Abu hold. The angel was answering in a lovely tone, I am talking down the names of those who love God. The next night, the angel came, awaked him and the angel showed his name of those who had been blessed by the love of God.
