Title :- Passion ~~ahead~~^{be fore} of money.

It is ~~completely~~ out of question for a well-educated, successful individual to prioritize money ~~ahead~~^{up} of its work. These individuals like making money but above that they like winning in their respective fields. A soldier's main goal is to win wars; a doctor's end goal is to save lives and cure patients; and a clergyman's objective is to preach people. Such is the case of all the courageous and accomplished individuals out there ~~etc.~~^{that}. Work first, money second.
