Money-making: Not a sole aim. ✓

It is practically impossible for a well-educated intellectual or brave man to make money as a significant goal of his thoughts.

People, with great mindset, like to make money and enjoy the feeling of gaining it but it is not the only thing for them.

Similarly, people holding a renowned profession do not make ~~money~~ earning as their sole aim. So, all the brave and rightly trained men put their work first and their fee second. Though they like it yet it is secondary thing.

this precise is the repetition of the same idea in different sentences

read it again and observe the repetition

over all main idea is picked word count is missing title is satisfactory
