Q. Write a precis of the following passage and also suggest a suitable title.

It is physically but still second.

Work ^{Rephrase} more Important than money

It is absurd for a knowledgeable person to keep money his primary objective. All rational thinkers like to earn money, enjoys the feeling of having it, but never make it purpose of their lives.

The author says that the main objective of them is always perform their job well, not to make money from it.

Only for irrational people money is more important than their work. But for well aware men job always comes first than money earning.
