Translation

If the world does not pull you towards itself, if the fear of God tears you up, if the concept of hell instills in you the fear of God, if you worshipped God the way He should be worshiped, if beneficence persuades you and your feet stop from going on the evil path, then you are righteous. Some are righteous, some become righteous. Being righteous is the matter of good fortune. Becoming righteous requires a continuous process of purification and persuasion. It requires time and one has to bear pain.
