online.

If is Physically impossible for a well-

educated intellectual to have

money the object

thoughts just as if he

made his dinner

them. After healthy

and dinner is not

of these things -

is essentially to

not

You have Missed a lot of ideas

Suggested titles for yesterday's  
precis

"Money is not the End"

"Profession as a priority over  
money"

Replace with a single  
word

Suggestions for improvements:

Do not make complex compound  
sentences

Begin and end precis with a precise  
sentence

Avoid enlisting

Do not explain all three examples  
separately, rather give an essence
